### MS FIONA LAM

*FCA (UK), FAIA, CPA (Practising),  
FCCA, BBA (Acct & Fin)*

**Demo Lectures are available !!!**

**Experienced  
team of  
Lecturers**

Fiona has been working extensively in the accounting field for more than 21 years, and is currently one of the practising partners of a medium size firm in Central, Hong Kong. She has considerable practical experience in auditing, tax, corporate governance and risk management as her firm serves a large variety of multinational and local entities.

Fiona is an experienced trainer for ACCA exam as she has taught over 10,000 accountancy students in the past through 2 local training institutions (one of which was started by her). She is very familiar with the ACCA exam structure as she has passed the ACCA exam herself. She is also a technical writer for well-known publishers for publishing materials for accountancy students. Therefore, she will advise you how to prepare a critical file and how to consolidate all the relevant materials in order to pass the exam in an effective and efficient way with more confidence. She is also a very popular speaker for ACCA's seminars, HKICPA's seminars and seminars for the Society of Chinese Accountants and Auditors and her effort is always highly appreciated by these professional bodies.

Fiona has established ETC with the aim to nurture more future accountants while giving ACCA students more alternatives when choosing a learning companion. Fiona is very keen on working with experienced lecturers as she believes a group of knowledgeable lecturers would create synergies in polishing the effectiveness of teaching. Fiona cares every single student, giving enormous encouragement and technical support in her courses.

Fiona has taught F6, F8, P1, P6 and P7 including the new SBL for over 16 years and is very passionate in teaching. With such solid technical background, Fiona is prepared to accompany her students in their studies, especially for the new paper, SBL.

Alvin qualified as a CPA in 1999 and is currently a practising CPA who is regarded as an all-rounded professional accountant as he possesses over 21 years experiences in domain of financial reporting, corporate finance and pre-IPO restructuring, management consultancy, Hong Kong and PRC tax planning for individuals and corporations, as well as audit, assurance, and financial due diligences.

Alvin is very familiar with the latest changes and development in the Hong Kong Financial Reporting Standards and also familiar with the PRC and Macau accounting standards as he is currently a Practising Director of a fast growing CPA firm in Hong Kong, with offices in Shenzhen and Macau, which are implementing all these rapidly changing standards in his practices. With the comprehensive and up to date knowledge in financial accounting, he is capable to advise his clients constructively on the applications of these complex accounting standards in a simple way and be able to give clear explanations and offer practical solutions. Having achieved various professional qualifications in accounting, corporate finance and taxation and members of professional accounting bodies in Hong Kong, UK and USA, Alvin is very recognizable with demonstrating the practice of corporate financing models for his clients listed in HKEx as well as SMEs.

Alvin is determined to be a successful professional exam trainer; for the past 19 years, Alvin has taught numerous exam preparatory courses in papers related to financial reporting, cost and management accounting and corporate financial management with outstanding teaching performances which producing several top students. He was a lead trainer with another leading professional training institute in Hong Kong for teaching HKICPA Conversion Programme and other related financial reporting courses. Indeed, he is a multi-faceted trainer, able to teach multi ACCA papers.

Alvin is strong minded in becoming one of the top trainers in exam training and delighted to be able to teach the paper, SBR under the current syllabus for this diet. He is positive that he has the abilities, experiences and eagerness in getting his students passing these papers in one attempt.

With the practical and very up to date industrial experiences as well as the diversified background of Alvin, students would be much beneficial and pass their exams in the shortest time.
